## Fire Training Seminars

ADI Global Distribution invites you and your colleagues to enhance your skills and knowledge on subject areas surrounding the Fire Industry. The two day courses will provide you with information on;

- Fire regulations and codes and their interpretation
- System Design covering detector selection and layout as well as emergency warning systems
- General installation requirement
- Commissioning and service

The seminars will also give valuable information on systems operation including hands on sessions connecting and programming fire systems

Cost is \$175 per person which includes a hard copy of AS1670.1 covering commercial fire detection systems together with course notes

<i>Locations</i>	<i>Date</i>
Melbourne	July 6&7
Perth	July 12&13
Adelaide	August 3&4
Sydney	August 17&18
